

Create Your Own Insect

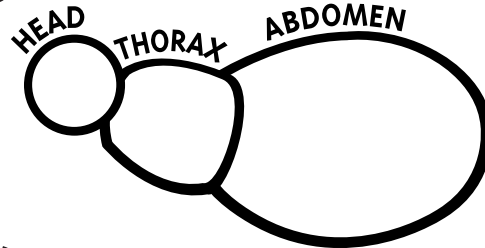

STEP
1

Draw a circle for a head.

STEP
2

Add two more body regions: a thorax and an abdomen.

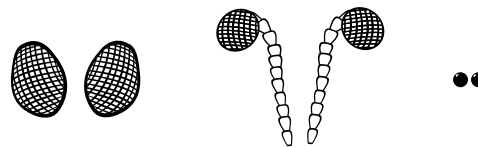

STEP
3

Add your choice of mouthparts to the head.

STEP
4

Add your choice of a pair of eyes to the head.

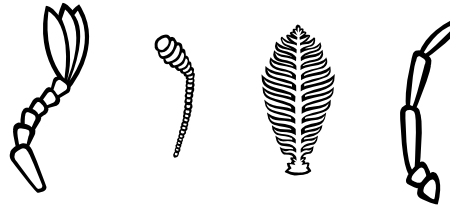

STEP
5

Add your choice of six legs to the thorax.

STEP
5

Add two antennae of the same kind to the head.

STEP
6

Add two or four wings to the thorax.

Draw a picture of your insect here.
