

ACTIVITY WORKSHEET

Use this worksheet to learn more about the “noisemakers” in our environment.

MATCH IT UP

Draw a line from the animal on the left to the place on the right where you may see it.

Animals

1. Pigeon
2. Bat
3. House Fly
4. Carpenter Ant

Places

- A. Garbage Can
- B. Damp Firewood
- C. Cave
- D. Building Ledge

WHICH DOESN'T BELONG?

Which of these insects does NOT make a buzzing sound? Listen to the sounds on the Noisemakers website and circle the pest that does not belong.

A. Mosquito

B. Honey Bee

C. House Fly

D. Cicada

COLOR ME

Use what you learned from the Noisemakers poster and website to color these animals based on their appearance in nature.

Want an Orkin Man to come to your school to teach you more about noisemakers and other insects?
Ask your teacher to visit <http://www.orkin.com/school-presentation-schedule/> to make it happen.

Answer Key
